

HTML Basics Assignment

Submitted by: **Dhairya Goswami**

Course: Node-FullStack • Assignment: HTML Basics

Completed according to the instructions provided in the assignment PDF.

1. Basic Webpage

```
<!DOCTYPE html> <html lang="en"> <head> <meta charset="UTF-8"> <title>My Webpage</title>
</head> <body> <h1>Dhairya Goswami</h1> <p>Hello! My name is Dhairya Goswami. I am a student
interested in web development and technology. I enjoy learning new concepts and building
practical projects.</p> </body> </html>
```

2. Hyperlink to Google

```
<a href="https://www.google.com" target="_blank">Visit Google</a>
```

3. Image with Alt Attribute

```

```

4. Paragraph with Strong Text

```
<p>I am interested in learning web development because it allows me to create useful and
interactive applications. <strong>Continuous learning is important to me</strong> because
technology keeps changing and improving.</p>
```

5. Paragraph with Two Sentences

```
<p>I enjoy exploring new technologies and improving my programming skills. I also like working
on practical projects that help me understand concepts better.</p>
```

6. Blockquote with Citation

```
<blockquote> "The only way to do great work is to love what you do." <cite>— Steve Jobs</cite>
</blockquote>
```

7. Different Heading Levels

```
<h1>Dhairya Goswami</h1> <h2>Student</h2> <h3>Web Development and Technology</h3>
```

Complete HTML Submission

The following single-file version demonstrates all required HTML elements in one clean, properly indented document.

```
<!DOCTYPE html> <html lang="en"> <head> <meta charset="UTF-8"> <title>My Webpage</title>
</head> <body> <h1>Dhairya Goswami</h1> <h2>Student</h2> <h3>Web Development and
Technology</h3> <p> Hello! My name is Dhairya Goswami. I am a student interested in web
development and technology. I enjoy learning new concepts and building practical projects.
</p> <p> <a href="https://www.google.com" target="_blank">Visit Google</a> </p>  <p> I am interested in learning web development because it
allows me to create useful and interactive applications. <strong>Continuous learning is
important to me</strong> because technology keeps changing and improving. </p> <p> I enjoy
exploring new technologies and improving my programming skills. I also like working on
practical projects that help me understand concepts better. </p> <blockquote> "The only way to
do great work is to love what you do." <cite>– Steve Jobs</cite> </blockquote> </body> </html>
```

Note: The assignment instructions require HTML only, with no CSS or JavaScript. The submission above follows that requirement.
